About Contemporary Cinema of Latin America. This book focuses on a selection of internationally known Latin American films. The chapters are organized around national categories, grounding the readings not only in the context of social and political conditions, but also in those of each national film industry.

Contemporary Cinema of Latin America: Ten Key Films

Academic year 2018-2019 [Terms 2 only] This module is open to students taking Spanish Language 4. It covers aspects of contemporary Spanish History and Culture with specific focus on 1990s and 2000s cinema, but in the wider context of pre- and post-Franco Spanish society, history and politics.
