American Journal of Chemical Engineering(AJCHE) provides a forum for sharing timely and up-to-date publication of scientific research and review articles. The journal publishes original full-length research papers in all areas related to chemical reaction engineering, environmental chemical engineering, and materials synthesis and processing.

Journal of Chemical Information and Modeling (ACS)

Systems Simulation: The Shortest Route to Applications. This site features information about discrete event system modeling and simulation. It includes discussions on descriptive simulation modeling, programming commands, techniques for sensitivity estimation, optimization and goal-seeking by simulation, and what-if analysis.
