How to Quit Smoking. Nicotine is one of the most harmful and widely available legal drugs in the world. It's addictive and harmful both to smokers and the people passively exposed to smoke, especially children. If you'd like to give up smoking, but don't know where to begin, create a structured plan. Realize why you...

Antibiotics have saved countless lives and enabled the development of modern medicine over the past 70 years. However, it is clear that the success of antibiotics might only have been temporary and we now expect a long-term and perhaps never-ending challenge to find new therapies to combat antibiotic-resistant bacteria. A broader approach to ...
